

About The Muppets

The Muppets deliver smiles and laughter to the world through heartwarming characters and stories inspired by the art of puppetry. Led by Kermit the Frog, the Muppets are a broadly appealing global franchise built on 50 years of original, award-winning entertainment that includes 44 Emmy nominations, six feature films, and *The Muppet Show* which captured over 235 million weekly viewers worldwide. The Muppets are true celebrities, with Kermit the Frog having his own star on the Hollywood Walk of Fame. The Muppets will kick off the worldwide celebration of Kermit the Frog's 50th anniversary later this year. Visit www.muppets.com for more news and information.
